

TOWNSVILLE

BOAT & JETSKI LICENCES

The NAVIGATION CENTRE
9 Railway Ave Railway Estate
Robin Kitchin 0428 336 613

Who's behind the helm?

Robin is the region's "longest serving & most qualified Mariner" offering Boat and Jetski Licence Training. His BoatSafe Training Organisation was the first "locally owned BTO" registered in Townsville.

He is well known for his easy going teaching attitude and his fun and easy Licence Courses.

He is a qualified Licensed Ships Master and Engineer Graduate of the Australian Maritime College.

He is also a qualified Scuba Instructor and Champion Power Boat Racer and Water Skier.

How do I complete my boat license?

There are two parts to complete the training for the Queensland Recreational Ships Master Licence (Boat Licence). Those being theory and practical.

The theory can be done either Face to Face (in the classroom at the Navigation Centre) or on-line through our website when convenient to you.

For the practical training we head out to the Townsville Harbour and spend about an hour in our training vessel and/or on our Jetski.

Tell me more

- The course takes about 6 1/2 hours to complete.
- Courses normally run every Sunday.
- Start at 7.50am (for an 8am start) with the theory finishing around 1pm with a break for lunch.
- We then head to the Coast Guard Boat Ramp (next to the Ferry Terminal on Sir Leslie Thies Drive) to complete the practical training.
- We provide all training equipment and morning tea.
- The course is fun and easy.
- Robin talks you through all the modules to gain the knowledge required under the BoatSafe scheme.

Tell me more about the online theory option

The online option allows you to complete the theory training online via our website at your own convenience on your own computer.

Once finished you simply contact Robin and organise a convenient day and time to meet at the Coast Guard Boat Ramp.

You'll be given a Quiz to complete, followed by the on-board practical training, taking about an hour.

What else do I need to know?
